Compliance status

This website is not compliant with the WCAG version 2.2 AA standard, due to the following exemptions.

Disproportionate burden

We have determined that there is disproportionate burden to meet all the requirements for the following reasons:

- Making improvements would exceed budget for the year due to the limited funding available to a Parish Council of this size

What we're doing to improve accessibility

We will over the next year seek alternative funding streams to improve our website accessibility and to create a new website.
